

What's so great about summer at EFC?

 **Especially
for Children**

Learning, Growing and a Whole Lot of Fun

Summer programs at EFC combine educational curriculum with outdoor adventures, field trips and special guests to make summer unforgettable for your child.

Our qualified and experienced staff will lead your child through unique summer activities while continuing to promote their intellectual, emotional, physical and social development.

We take advantage of all that summer has to offer

You may see...

- ★ Your child's teachers reading stories on the playground rather than in the classroom
- ★ Science activities adapted to the nature we can experience outdoors
- ★ Children in swim suits running and laughing as they enjoy the cold water of lawn sprinklers
- ★ Field trips to parks and nature centers that make lasting memories
